

WORLD SCHOOLS ORIENTEERING CHAMPIONSHIPS 2019

OTEPAA, ESTONIA

Summary

The England team consisted of 40 young individuals. From these 40, eleven were Ulverston Victoria High School students, whom you helped to provide this incredible experience for. We travelled to Estonia on the 28th April, and competed in the middle-distance competition, the long-distance and the friendship relay, participated in the cultural performances and flew back on the 5th May. Overall, everyone loved the great experience of both the challenging competition and the social side to the trip. Additionally, they came away with some great results: the selected senior boys came first as a team, and Euan (part of the junior school team) claimed first on both the middle and long-distance.

'We were all looking forward to the friendship relay, I was with a Swede and a Slovak. This was lots of fun and lots of running, always nice to meet new people!' -Jessica Ensoll, Schools Senior.

'Overall, it was an amazing experience and I am so grateful to those who financially supported us, meaning that we were able to get this once-in-a-lifetime opportunity and experience.' -Gillian Wells, Schools Junior.

RESULTS

Boys selected senior: 1st
